

Do you have a desire to reach more kids for Christ ?

In 1948, The Christian Center was founded with the dream of providing a place where Christians could grow and the lost could find Christ. This dream was made possible with much prayer, many volunteers, and the financial support of local churches. Though the programs have changed through the years, the purpose has not. Today we are able to reach kids for Christ through the sports they enjoy, teaching Christian values and the rules of the game at the same time. We still rely on the financial support of local churches, businesses, and individuals to keep our doors open and our programs running.

Joining Team Center and pledging monthly support to The Christian Center would help keep our registration fees affordable and allow us to continue to minister to the kids of our community. It is our policy that no child should be turned away for financial reasons. Please take this form home this week and consider it with your family. Then, if you desire to partner with us in this way, mail this form to us at the address listed below. Or, if you prefer, fill it out and leave it with us today. Thank you for your consideration and support!

- With a gift of \$35.00 or more each month, your family's registration fees for basketball, baseball, and soccer will be waived. The IRS permits donors to deduct the amount they give to The Christian Center in excess of the value of the services we provide. You will be sent a letter in January stating the fair market value of all services that are provided by The Center.
